CHIEF OF ENGINEERS, U. S. ARMY
WASHINGTON, D. C.

WAR DEPARTMENT
OFFICE OF THE CHIEF OF ENGINEERS
WASHINGTON

REFER TO FILE NO. SPEIS

27 February 1946

ARMY Declass/Release Instructions On File

SUBJECT: Publication of JANIS Reports at A.M.S.

TO: Joint Intelligence Study Publishing Board
1034 Conn. Avenue
La Salle Building
Washington, D. C.

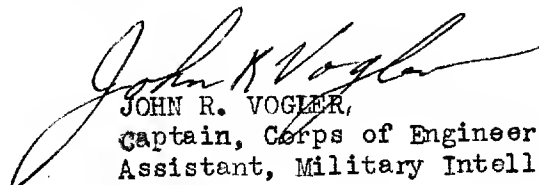

1. Reference is made to the J.T.S. Meeting on 8 February 1946 when inquiry was made as to the possibilities of having JANIS published at the A.M.S.

2. At present, facilities at the A.M.S. are adequate to publish JANIS. It is understood that the work required on the projects would involve drafting, vari-typing and reproduction facilities. Authorship and editing would be the responsibility of JISPB and its affiliates.

3. Present Governmental regulations, however, would preclude printing of the reports at the A.M.S. If the J.T.S. is able to arrange with the authorities to relieve printing restrictions on such reports, the A.M.S. is prepared to act as the publishing agency. Without such arrangements it is believed A.M.S.'s cooperation must be limited to cartographic work and reproduction thereof.

4. A similar report is to be brought up at a future meeting of J.T.S.

FOR THE CHIEF OF ENGINEERS:

JOHN R. VOGLER,
Captain, Corps of Engineers
Assistant, Military Intelligence
Division
